For Immediate Release – April 2, 2020

Community Properties of Ohio (CPO) awarded mini-grant from ADAMH Board of Franklin County.

ADAMH (Alcohol, Drug and Mental Health Board of Franklin County) seeks to support programs or events with a broad community impact that raise awareness of mental illness or addiction, promote health and wellness, promote prevention activities, or fight stigma. CPO Impact, CPO Management's 501(c)(3), was established in 2007 to help fund initiatives and support the research and development needed to find and design interventions to further the mission of CPO.

This funding will be used to continue diversity and inclusion training for CPO staff through introducing "Learning Communities," monthly sessions that focus on enhancing education around various topics of inclusion including identity, nationality and culture, trauma and resilience, class/socioeconomic status, and more.

"We are excited to provide this opportunity to our staff," CPO's President & CEO Chad Ketler said. "This funding will certainly allow us to further advance our mission while serving low income families throughout our housing portfolio. CPO's work on diversity and inclusion is a critical part of creating an environment where people feel safe, supported, and empowered."
